## Dotty dog training and behaviour.

Services : 121 dog behaviour consultation programs both online and in person. 121 Dog training. Puppy classes, mixed ability classes 121 puppy training programs.

Areas covered : Nottinghamshire

My name is Alex. I have been working as a professional dog trainer for over 20 years, I started training guide dogs and their owners to become partnerships in 2001, qualifying as a guide dog mobility specialist, in 2004.

Over the years I have gained a wealth of knowledge in training and resolving behaviour problems. I continue to work with guide dogs today and this year took the brand new role of technical learning specialist, teaching and inspiring a new generation of people to become guide dog mobility specialist.

I have been a dog owner all my life and currently own 3 of my own pet dogs one of which is an anxious/reactive dog. He has given me the inspiration to use my knowledge and experience to help pet dog owners and their dogs, and in 2019 Dotty dog training and behaviour was born.

I belong to the pet professional network, am a qualified distinctive dog trainer and a kids around dogs approved professional. I have taken and continue to take many course in order to keep up to date with new and exciting advances in the dog training world, within my role at guide dogs and in my own time to ensure I am delivering the most effective and up to date ethical training techniques.

I am a fully qualified dog training, accredited with The Dog Training College, aiming to help others get the most out of the relationship with their dog. My approach to training is games based and force free; it's a modern approach which believes in making it fun for the dog, by focusing their learning around playing games.

It is also a kind and ethical approach to dog training, which can make it a lot more effective and really strengthen the bond between you and your dog.
